

ARVIND INTELLIFABRIX

ViroBlock Technology film

Our Intelli-man comes walking straight while the silver gobules coming from behind him start forming a shield

Shield forming

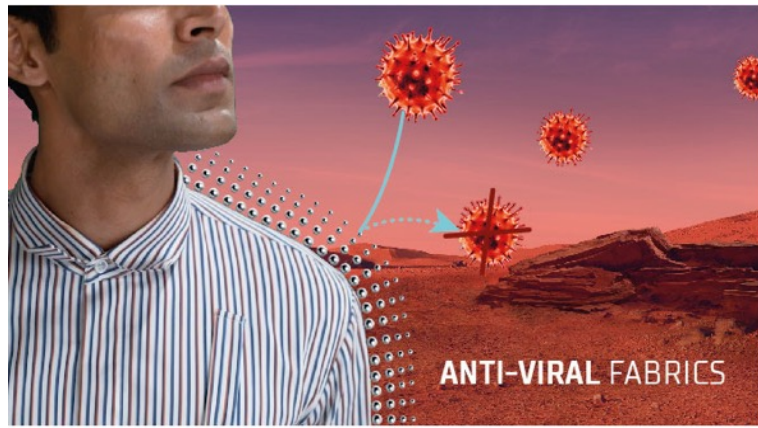

The complete silver gobules ring forms and rotates around him slowly as he takes a small leap

SUPER & VO: Introducing for the first time in India

Close up of the Intelli-man jumping and closer view of the fabric & silver gobules

Cut to virus slowly falling over our man and bouncing back destroying the virus completely as it bounces back from Heiq Viroblock treated Intellifabrix
 SUPER: Anti-Viral fabrics

VO: IntelliFabrix powered by HeiQ Viroblock

Thank you!
